## Objective:

Looking for an opportunity in the field of software development, where I can apply my problem-solving skills, strong work ethic, and enthusiasm for coding to contribute to a dynamic team environment. Despite limited work experience, I am committed to learning new technologies, writing clean and efficient code, and collaborating effectively to build impactful software solutions. Eager to gain hands-on experience and further develop my skills in programming, debugging, and software development best practices.

---

## Work Experience/Volunteer work:

### **Savours Fresh Market (Store Clerk)** April 2024 – Present

- Provide excellent service to customers helping them with what they need and direct them to where they need to be
- Handle multiple Aisles keeping them stocked and organized for our customers
- Working with other store members to ensure we provide excellent service and keep our customers happy and achieving the store's goals.
- Keeping the store clean. Cleaning the aisles and keeping our inventory tidy and organized
- Follow store policies and procedures and occasionally check expiry dates for our items

### **St. Wilfrid's Parish (Receptionist)** May 2022 – June 2022

- Welcomed guests with a welcoming attitude
  - Answer phone calls helping callers with information they need
  - Help guests with anything they need
  - Aid other colleagues
-
